Forecast For The United Kingdom
Issued by Met Office Exeter
at 1600 on Friday 22 Jan 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Sunny spells with rain, sleet and snow showers. Frosty.

This Evening and Tonight:
Showers affecting many western, northern and southern parts. The showers mainly of rain at low levels in the south but sleet or snow elsewhere with some accumulations possible over high ground. Clear spells between, best in the east. Frosty.

Saturday:
Remaining cold with showers of rain, sleet and snow. Driest and sunniest in the east. Some further snow accumulations over high ground, especially in the north. Frost early and late.

Outlook for Sunday to Tuesday:
Sleet or snow in South clearing Eastwards, then sun and wintry showers on Sunday. Monday mainly fine and cold, isolated wintry showers. Cold, bright start Tuesday, rain spreading East later.
